Branding & Design System

Visual Identity

Study overlay uses:

- ◆ futuristic glassmorphism
- ◆ cyan neon glow
- ◆ translucent HUD UI
- ◆ dark cinematic backgrounds
- ◆ animated LED borders
- ◆ soft blur
- ◆ holographic aesthetics

Design Principles

The UI should feel:

- ◆ calm
- ◆ futuristic
- ◆ premium
- ◆ minimal
- ◆ immersive

Overlay System

Purpose

The overlay is designed for:

- ◆ livestream productivity sessions
- ◆ Study With Me streams
- ◆ OBS Browser Source

Overlay Requirements

The overlay must:

- ◆ work without login
- ◆ have transparent background
- ◆ update in realtime
- ◆ remain lightweight
- ◆ support OBS
